

Haslemere Cars Ltd commitment to the privacy of the online users

Collection and Use of Personal Information

The use of our website or Apps does not require you to reveal any personal information unless you wish to make a booking or register with our service.

We use the provided information to set up your account, reply to your inquiries or dispatch a car for your journey.

We do not store credit/debit card details or any other banking details. We use the services of Braintree for online financial transactions.

We will not share your information with any third party organisation or individual.

Collection and Use of Non-Personal Information

Haslemere Cars Ltd automatically receives and records non-personal information on our server logs from your browser including your IP address, cookie information and the pages you requested. We do not connect this non-personal data to any personal information collected from you whilst we may use it for our own marketing analysis.

Information Sharing and Disclosure

We reserve the right to disclose your personal information in the following cases:

- When we have your recorded consent to share the information for a specified purpose.
- When we are required to disclose the information by law, court orders or such other legal process.

Consent

If you do not consent to the collection, use or disclosure of your personal information as outlined in this policy, please do not provide any personal information to Haslemere Cars Ltd. If you have provided personal information to Haslemere Cars Ltd and no longer consent to its use or disclosure as outlined above, please notify us in writing.

Voice Calls

Our mobile website allows you to call us directly by clicking the relevant link. We will ask for your permission before initiating the call. Your number is not accessed or stored by our website. Our website will not access or use the voice calls on your mobile for any other purpose.

We do not charge for incoming calls although you may be charged by your own network provider.

Location privacy

Our apps and website may use your location to assist with address search or showing the available cabs in your vicinity. We ask for your permission to use your location for such purposes before accessing your location.

Security

We use industry-standard SSL-encryption to protect sensitive and crucial data transmissions such as financial data.

We also safeguard your personal information from unauthorized access, through access control procedures, network firewalls and physical security measures.

Changes to our Privacy Policy

Haslemere Cars Ltd may at any time, without notice to you and in its sole discretion, amend this policy from time to time. Please review this policy periodically. Your continued use of Haslemere Cars Ltd online products after any such amendments signifies your acceptance thereof.

Enquiries

If you have an enquiry or suggestions about our privacy policy, or your own personal information, please e-mail us at info@thetaxistation.co.uk
